

December Worship Survey

In December, we made some changes to the worship service. The Worship and Music Committee would like to get your feedback on those changes. Please return completed surveys to the basket in the Narthex or to the church office.

1. There was a setting change – we used Setting Ten during Advent and Christmas. How did you like this setting?

- Strongly Dislike Like
 Dislike Really Like
 Neutral

2. We also changed the format of worship, providing more options for the assembly to sit and/or kneel during various parts of the service. How well did you like these changes?

- I do not like these changes
 I have no preference
 I like these changes

3. We invite you to share any other feedback related to the changes made to worship in December, 2018.
